

Rubin Young has always fought for the American dream.

Born on June 16, 1961, Young served in the United States Army in 1980. He was assigned to Ronald Reagan Inauguration Committee and was invited to the White House in 1981 by President Reagan.

From his website, Rubin has a five-point mission statement to serve District 23 or 24 which is:

1. Be a strong advocate for small business owners.
2. Support parents and children in receiving a quality education.
3. Keeping communities safe, prosperous, full of opportunity for everyone.
4. Fully committed to the unadulterated U.S. Constitution and the rule of law.
5. Restoring the election process so every legal vote counts.

A grassroots candidate (no corporate donations), Rubín WORKS for voter financial support. There are two ways to support Rubín. My campaign manager can call you to schedule:

1. A recorded, 6-minute call on for his podcast for you to communicate your concerns about South Florida or the nation with Rubín. Rubín will end the call with a 90-second with his platform agenda. You will get a Spotify or iTunes link to share with your friends. Recommended donation \$50.
2. A recorded, 2-3 minute call, combined with 10 others, for you to communicate your concerns about South Florida or the nation. Recommended donation: \$20.

Then, please refer about 15-20 of your friends, family or colleagues who feel the same as you do. Call Rick at (602) 805-7000 for option 1 or 2.

Rubin sees the Democrat Party push to communism as unacceptable. This push has its roots in Bolshevik Revolution period where Bolsheviks tricked the Russian people into complying with Vladimir Lenin's procommunism, economic policies.

Fast forward to the Clinton, Obama presidencies. The book “Rules for Radicals”, written by Saul D. Alinsky, was used as the template by Clinton and Obama to destroy America from within her borders. From the book, the 8 levels of controls are the following:

1. **Healthcare** – Control healthcare and you control the people.
2. **Poverty** – Increase the Poverty level as high as possible; poor people are easier to control and will not fight back if you are providing everything for them to live.
3. **Debt** – Increase the debt to an unsustainable level. That way you are able to increase taxes, and this will produce more poverty. Uncontrollable inflation is a by-product of out-of-control spending.
4. **Gun Control** – Remove the ability to defend themselves from the government. That way you are able to create a police state.
5. **Welfare** – Take control of every aspect of their lives (Food, Housing, and Income).
6. **Education** – Take control of what people read and listen to – take control of what children learn in school.
7. **Religion** – Remove the belief in the God from the government and schools.
8. **Class Welfare** – Divide the people into the wealthy and the poor. This will cause more disconnect, and it will be easier to take (tax) the wealthy with the support of the poor. The newest, class welfare weapon is: vaccinated vs unvaccinated.

Every problem America is suffering through today has its roots in the 8 controls from the book “Rules for Radicals”.
